

## **Unum Therapeutics to Present at the Cowen and Company 36th Annual Health Care Conference**

March 2, 2016

**CAMBRIDGE, MA, March 2, 2016** – [Unum Therapeutics](#), a company developing a universal cellular immunotherapy to treat multiple cancers, today announced that President and Chief Executive Officer [Chuck Wilson](#) will present at the Cowen and Company's 36th Annual Health Care Conference on Monday, March 7, 2016 at 8:30 a.m. EST at the Boston Marriott Copley Place.

### **Unum Therapeutics**

Unum uses proprietary T-cell engineering technology in combination with tumor-targeting antibodies to activate the body's own immune system to fight cancer. The Company's lead program, based on its Antibody-Coupled T-cell Receptor (ACTR) technology, is in Phase 1 clinical testing to assess its safety and efficacy. The company is headquartered in Cambridge, MA. For more information, visit [www.unumrx.com](http://www.unumrx.com).
